SHAD WILLIAMS EVANGELISTIC ASSOCIATION

GLOBAL FIELD EVANGELISM

December 1, 2008

Dear Prayer Team,

Well I trust that you all had a great Thanksgiving Day. We certainly did with the kids and grand kids all being with us here in Adamsville. That in itself is a lot to be thankful for, not to mention the fact that they are all saved now and safe in the arms of Jesus for eternity. What a glorious promise, what a glorious truth!

Sheila and I are also thankful for the way God has blessed the ministry this year. As of November 15, we have seen 550,000 people pray to receive Jesus in 2008. We are asking God to push that number past 600,000 by the end of the year, and I ask you all to pray with us to that end. Like the man said, "It ain't over till its over", and it is still far from over. The teams in the field do not take off for Christmas; they use the time for an evangelistic push, so please pray for them as they do.

Please pray with us also concerning our finances as we approach the end of this year and the beginning of the next. As Jon mentioned in his letter, our board recently approved some major expansion efforts in Africa as well as a greatly increased budget to go with them. I know you recently received a letter from the board in this regard, but I want to add a word to that and simply ask you all to pray with us and believe God with us, by faith, for HIS provision of the needs in this coming year. They are great! In fact they are greater than ever before. But so are the opportunities.

To be honest with you, what we are asking God for and believing Him for is impossible without His miraculous intervention. Our number of financial supporters has not increased and the economic situation in the country has gotten a LOT worse. From a common-sense point of view we did not pick a very good time to increase our budget. From a faith standpoint, however, it is a great time. There is no economic downturn in heaven. So in 2009 we are asking God for \$540,000.

That amount of funding will enable us to continue with expansion plans in the Congo, Nigeria and Uganda, as well as expanding the teams that already exist in Kenya, Malawi, Tanzania and in India. I know this is aggressive, but we just don't have time to waste. I cannot predict the future, but based upon our experience over the past 30 years, and based upon all I know about field evangelism, I believe that if we have that \$540,000 we can see 1,000,000 people come to Jesus in 2009.

Furthermore, I am not only asking God to provide the money, but I am asking Him to provide a large part of it in the beginning of the year. That would enable us to put a lot of badly needed personnel and equipment in place right out of the starting gate, which would really jump start the ministry for the year. The amount of funding we are asking for will allow us to operate full throttle in 2009, and I believe the results will be fantastic for the Kingdom of God. Please join Sheila and me and the team as we look to God for His miraculous provision. Thank you all and God bless you as only HE can.

Yours for HIS harvest,

"We Go To Them"

Jon M. Busse
Director of Ministry Development

Dear Friends,

Praise God, 2009 is going to be an exciting year! We have been discussing the current and ongoing expansion plans for the Ministry with the Board of Directors. The thing that struck me the most during our meeting was that in order to realize greater expansion in the field, we must have more exposure among Christians in America - and we need YOUR help. We are asking you to become passionate advocates for the Ministry. I know many of you don't have a lot of free time, or like me, you are never really sure what you can do to promote this work. So, let me offer a few suggestions as to how you can help.

Here are 4 possible ways to get involved with the ministry:

- 1. Pray** - We can never have enough prayer for guidance and wisdom from the Lord.
- 2. Volunteer** - We are always looking for people to join us on our projects. It is not as hard as you might think to have the experience of a lifetime, doing God's work in spreading the message of Christ.
- 3. Introduce us to others** - One of our most valuable assets are our friends. You may know someone who would like to get to know, and be involved with, the ministry. The only way we can expand our circle of friends is through the ones we already have.
- 4. Help us set up a workshop** - Shad recently finished his book about living by faith. We are now planning to conduct several seminars and workshops across the U.S. in 2009. If you can help us put one together in your community or your church, please contact me and let's get started with the planning.

Now, we have put out the call for people to get involved in the past, and to be honest, the response has not been that great. I have a feeling that it is because you do not feel like you can really make a difference. But I'm here to tell you that any effort on your part can make a difference. So, please contact me if you have any ideas or if you would like to get involved in any way. You can reach me at (731) 632-5115 or by email at jon.swea@yahoo.com.

Yours in Christ,
