

We Go To Them

"TAKING THE GOSPEL TO WHERE THE PEOPLE ARE"

2006 FAITH GOAL REACHED & SURPASSED 720,000 PRAY TO RECEIVE JESUS

By the end of June last year we had seen 328,000 people pray to receive Jesus and, as I reported that to you all, I began to wonder if maybe we could see 600,000 by the end of the year. I met with the Lord in my early morning times with Him and prayed over the prospect of trusting Him for such a faith object. We had never seen that many people respond in a single year. Soon it settled in upon my heart to do so, and I shared it with you, asking you all to join Sheila and me in prayer and faith. We had had a great start for the year, but at that time money was very short and the ministry activity had actually slowed down some due to a lack of funds. How could we expect to see another 400,000 decisions under those conditions? It did not "make sense". Well, the financial situation did not improve, but God did it anyway. I am not sure as to exactly HOW He did it, but what I AM sure of is the final outcome and the fact that GOD gets the credit, honor and glory for it. Yes, the teams worked hard. Yes, there were a lot of meetings conducted. Yes, there was a big response in the meetings. But in the end it was all GOD! Therefore, all I can say is "TO GOD BE THE GLORY - GREAT THINGS HE HATH DONE!"

I can also say THANK YOU to all of you, our dear friends, who prayed and believed with us and who gave of your financial resources to help get the message out. As a result, through the combined efforts of the entire SWEA / GFE family, over 1,000,000 people heard the Good News of Jesus Christ in 2006. Over 2800 people per day had an opportunity to say yes to Jesus - an opportunity they would not have had, had it not been for your prayers and help. So - THANK YOU ALL - VERY MUCH!

HERE WE GO AGAIN 150TH CAMPAIGN COMING UP KAKAMEGA & KISUMU, KENYA, E. AFRICA JANUARY 17 - FEBRUARY 3

Now here we go again, the harvest is ripe and ready. As we enter this 30th year of international ministry, we do so by embarking upon the 150th campaign in our history - this time in western Kenya. Preparations are already underway for the open-air meetings that will be conducted in the daytime and the film shows at night. Also there will be a big "D`Change Festival" held in Kakamega - a four-day musical event designed to gather thousands of people for the preaching of the Gospel. Along with this event, a three-day pastor`s conference will be held for the 100 pastors participating in the festival event. Needless, to say we are expecting to see tens of thousands of people receive Christ during these days. Also, needless to say, we need your prayers. Please pray for:

- God's provision for funding needed for this project.
- Holy Spirit power in preaching the Gospel.
- Health and safety in travel and ministry.
- Favorable weather conditions for open-air evangelism.
