PRAYER AND PRAISE UPDATE

January - September

PRAISE REPORT – MAJOR EXPANSION

Dear friends, as you all know, over the past few months, Sheila and I have asked you all to pray with us that God would enable the team to expand the work into new countries and territories. Well, I am thrilled to share with you that God is answering our prayers. Over the past few weeks, WGTT teams have been established in Ethiopia, Zimbabwe, and Sierra Leone. The WGTT field evangelism methodology has been embraced with great enthusiasm, thousands of people are being reached, and many are coming into the Kingdom of God. There are now 70 teams working in 14 countries. Here is a brief look at what God enabled the team to accomplish through the end of September.

The teams conducted 22,553 evangelistic events: school assemblies, open-air meetings, evening film shows, and prisons. They reached an average of 75,000 people per day. And, we praise God that 18,616,546 people prayed to receive Christ. So, the ministry is growing geographically and in the number of workers. We also praise God that the number of people hearing the Good News is increasing and heaven is becoming more populated, Thank you all for your prayers.

WE NEED YOUR PRAYERS

As with any growing ministry team/organization, many challenges can be expected, especially when we are taking the light of the Gospel into the darkness of places not yet touched by the message of Jesus. Satan is never happy about having his territory invaded by the power of the Gospel. So, opposition is normal. In that regard, we need your prayers. Over the past few weeks, the challenges have been unusually great and the opposition intense. As a result, the work is being hindered, but by God's grace, it has not stopped and it WILL not stop! The teams remain positive, aggressive, and full of faith. They are doing everything they possibly can under adverse circumstances to get the Gospel message to as many people as possible. Would you please join Sheila and me daily in offering this prayer to our faithful God, Who has commanded us to "Go into all the world and preach the Gospel."

"Dear heavenly Father, I join Shad and Sheila in asking You to meet the needs
of the WGTT team, to help them face the challenges before them,
and to enable them to fully maximize the opportunities
You provide for them to preach the Gospel to the unsaved."

THANK YOU ALL for your faithful prayers, and thank you for being with us as WE GO TO THEM.
