

52,700 Respond to the Gospel in Kisii, Kenya

Once again God blessed with another amazing campaign. After four days of travel, Sheila, Lynn (our daughter-in-law), and I arrived in Kisii on Saturday, May 25. We joined the 23 Kenyan team members who had already been there for five days and had already seen several thousand people respond to the Gospel. Every day we divided up into three teams going mostly to high school assemblies. The students would gather, mostly in open-air settings, and each time hundreds of them prayed to receive Christ. In all, there were 136 evangelistic events, including three prisons, open-air markets, and film shows. On the closing day of the project, we gathered the team together and

had the joy of relating that a total of 52,700 people had said yes to Jesus as a result of their efforts. They broke into applause and praise to God. They had worked very hard, and God had once again rewarded their faithfulness. We also conducted a two-day field evangelism seminar in which 100 people received training in how to “go to them” with the Good News. It was truly an amazing campaign. We give God ALL the glory, and we say THANK YOU to our ever faithful prayer and support team for being used of God to help make it possible.

MID-YEAR UPDATE – 850,000 RESPOND TO CHRIST SO FAR THIS YEAR

Every year we begin by faith, trusting in God alone to open doors, provide money, and save souls - none of which we can do without His intervention. For 42 years He has proven Himself faithful, and 2019 is no exception. For ten years, we have seen well over a million people per year pray to receive Christ, and it appears we are on track to see it again this year. Thus far, we have had two amazing campaigns, and every single day the teams have been in the field proclaiming the Gospel to the multitudes. As of June 30, our collective efforts have resulted in 850,000 people asking Jesus into their heart. Over the past six months the ministry, as a whole, averaged preaching face to face to over 5500 people daily.

ONE THOUSAND FIELD EVANGELISTS

A few weeks ago I said to one of our evangelists, “Brother, I wish we had a thousand men like you.” It seemed as though the Holy Spirit spoke into my heart, “Well, why don’t you just trust Me for a thousand men like that?” Then I thought, “Ok, why not?” At that moment, it settled into my heart that we are to trust God for 1000 trained,

equipped, and mobilized field evangelists scattered all over Africa and even around the world. I am now working with the ministry leaders on developing a strategy. I will be sharing more about this in the weeks to come, but for now, please pray with us that God will bring these 1000 people to us.

NEXT CAMPAIGN: KIGALI, RWANDA SEPTEMBER 15 - OCTOBER 2

Our final campaign of this year will take place in Kigali, Rwanda during the latter two weeks of September. Kevin Chumba (campaign coordinator) will be taking a prep team there in the next few days. Soon after, the booking of school assemblies will begin, along with selection of venues for open-air events, film shows, and prisons. In addition, we will conduct a two-day field evangelism school, trusting that God will raise up some of the 1000. Please pray that God will intervene in acquiring all the necessary permits, and that He will again provide the money needed to cover the campaign. I estimate the campaign will cost about \$20,000.

THANK YOU!!!

Once again, I want to say THANK YOU, for all you do and have DONE to keep this ministry moving along every day. You guys, with Sheila, me, and the folks in the field, are a TEAM. We may not be a huge team, but we are an effective team, because we are trusting GOD by faith. Thank you for your fellowship in the Gospel and for always being with us as WE GO TO THEM.
