

A GREAT BEGINNING TO 2023 OVER 1.2 MILLION RESPOND IN JANUARY

As the year began, it appeared that January might not be as fruitful as we would like because of late school openings,. But the teams compensated with lots of open-air events, film shows, prisons, and so on. And, when the schools did open, they descended upon them like a Gospel storm. As a result, during January the teams averaged presenting the Gospel to 44,500 people PER DAY! By the close of the month, they had completed 1800 evangelistic events in which 1,262,468 people prayed to receive Jesus! So, God surprised us all with an unexpected harvest of souls, and a miraculous beginning to our 46th year of international ministry.

PRAISING GOD FOR VEHICLES, EQUIPMENT, AND EXPANSION

ize that region. At that time, many of the team members were living in, and working out of, Eldoret, Kenya. By March of 2020, nine team members had relocated to places in Kenya, Tanzania, and Rwanda. Two weeks after the process was completed, the Covid pandemic struck. God's timing was perfect. In spite of restrictions imposed by the pandemic, the expansion still resulted in 2.4 million people coming to Jesus. The results of the expansion continued to increase throughout 2021, with another 7 million responding. It would have been more, but the newly developed teams were not yet fully supplied with vehicles and equipment. Several were having to rely on rented vehicles.

The ministry of SWEA - WE GO TO THEM is all about one thing - getting in front of unsaved people with the Gospel of Jesus. The more we reach with the message of salvation, the more there will be who receive Christ in their heart. But, reaching the multitudes with the WE GO TO THEM method requires adequate transportation and sound equipment. Without these tools the teams are severely hindered, and many opportunities are lost.

In September 2019, God revealed a new plan to the entire ministry team all at once. It was to move every team member out to a specific location, establish a new station, and develop a new team to evangelize

But, in October 2021, God miraculously provided for the purchase of NINE vehicles, and FIVE full sets of equipment. So, when 2022 began, the existing teams were finally fully outfitted and ready to go full steam. And GO they did! The placement of these vehicles and equipment in the field resulted in the completion of 18,280 events (7,000 more than in 2021) in which 13.7 million people (6.5 million more than in 2021) responded to the Gospel.

MORE PROVIDED AND MORE NEEDED AS EXPANSION CONTINUES

Over the course of 2022, another SEVEN TEAMS were developed in Rwanda, Burundi, and Congo. This created the need, going into this year, for more transportation and equipment. We are praising God that over the past few weeks, He provided for the purchase of another FIVE VEHICLES and EIGHT sets of SOUND EQUIPMENT, all of which has now been placed in Burundi, Kenya, Rwanda, and Tanzania. Already the effect is being felt as hundreds of events are being conducted monthly and hundreds of thousands more people are receiving the Gospel message.

But now there are another TEN stations ready to be established in Kenya, Uganda, Zambia, and Tanzania. There is no doubt that with the establishment of these new stations, the number of people hearing the Gospel will exceed 15 million in 2023. The personnel are trained and preparing to begin work. But, again, there is the vital need for more vehicles and equipment. So, please pray that God will continue to supply these tools for HIS work in the days to come. There are currently 32 teams operating daily. We are believing that by the end of this year there will be at least 40.

THE “WE GO TO THEM” BOOK USED IN INDIA

We are thankful for the way God is using the WE GO TO THEM field evangelism book in India. So far, 1000 pastors, evangelists, and seminary students have received training in field evangelism using the Tamil translation of the book. Another 1000 Tamil copies are being printed now, and the Hindi translation is underway. To view a copy of the book in English please go to our website.

THANK YOU FOR BEING WITH US AS WE GO TO THEM

I have said it many times, but I want to stress again, everything that happens in this ministry is a TEAM effort. If you are involved in this work in any way, it is because GOD led you to be. He calls some of us to PRAY.

He calls some of us to GO. He calls some of us to give money to PAY for the going.

And then, He calls some of us to do all the above. But each aspect calls for obedience to His voice, and I want to THANK ALL OF YOU for hearing and heeding His voice. We are a unified TEAM, all pressing forward in the same direction for the same purpose. I thank God He has chosen this SWEA - WGTT TEAM to introduce multitudes to Jesus. Again, beloved friends and team members, thank you for being with us as WE GO TO THEM.
