MIRACULOUS MARCH 2 MILLION PEOPLE PRAYED TO RECEIVE JESUS

We praise God for the continued outpouring of His Spirit across the continent of Africa! In the fields where the SWEA WE GO TO THEM teams are working, people are responding to the Gospel in unprecedented numbers. In the month of March, **70 teams of WGTT evangelists conducted 2953 events:** school assemblies, open airs, film shows, and prisons. They averaged preaching to 73,600 people per day. By the month's end, 2,013,182 people had prayed to receive Christ.

FIRST QUARTER SUMMARY

It has been a very busy, non-stop three months for the SWEA/WGTT ministry team. As a result of their efforts, along with the never changing faithfulness of God, the Kingdom has grown significantly! The Gospel was presented 10,300 times in various settings, and out of those who heard the message of salvation, 7,204,590 made the life changing decision to receive Jesus as their Savior and Lord. Over seven million lives salvaged and futures altered. Seven million **individual human beings** now possess an eternal relationship with Jesus Christ. Let me share a story of just one of them.

ONE CHANGED LIFE

Evangelist Wilfred Andabwa is the SWEA/WGTT Field Coordinator for South and Central Africa. During Easter last year, he conducted evangelistic meetings at universities in South Africa. At one of those meetings, a student (a girl whose name has been redacted for privacy) heard him speak, accepted Jesus, and her life was radically changed. She is just one of thousands who heard the Gospel and received Jesus. A few days ago, she sent her testimony to Wilfred. It is a reminder that God deals with each person, each life, individually. It is our joy to share it with you.

"Hello Wilfred Andabwa,

I am (name redacted), I just wanted to say thank you, my brother, for coming to our university last year. You only shared three things quickly, but, I felt like you had so much more to say. You told us the truth about the human race, the truth about God, and the truth about eternity. That morning I was still hung over from a party the night before. My friend said, "It's Easter, so let's just go to the campus church," and that's where you were preaching. Your message was so powerful. It made me realize that God loves me just as I am. That day I chose Jesus. Even though I've done things my parents don't know about - drugs, alcohol, those late-night sex parties that was my life. I've had three abortions and done many other things I'm ashamed of. I was so shocked when you mentioned everything I was dealing with while you were preaching. Only my close friends knew about it. For a second I thought maybe you had heard stories about us, but then I remembered you're a foreigner, so you could not have known. Your preaching led me to give my life to Jesus that day. When you asked us to raise our hands, I couldn't. My heart was too sore, I was crying and felt so weak. But inside, I made the decision to join God's family. When you came again this year, I was hoping to see you, but, you left in such a hurry and I couldn't reach you. That day you shared your testimony and a short presentation on how we can share our faith. I wrote everything down nicely. For the whole month of April, I went to my dad's church and told them I'm saved and that I wanted to show them how to bring people to Jesus. I shared your notes, we spoke about it, and for the first time, my church and I went out to share Jesus on the streets in (redacted), which is my home. I'm only in South Africa for varsity. Also this April, on Easter Sunday, I got baptized. I've spoken to our varsity church leader about inviting you to my home town. I really hope you can come during the holidays when I'm not at school, so I can join the WE GO TO THEM missions in (country name redacted). Meanwhile, God bless you, my brother. We love you. Please keep praying for my friends they're still refusing to come to Jesus. Thank God is Good. May he bless you and your ministry."

THANK YOU FOR HELPING MAKE THIS POSSIBLE

On behalf of this young woman and the other seven million people who have prayed that same prayer and made that same decision this year, Sheila and I want to say **THANK YOU** to all of our beloved friends who pray for this work and faithfully invest in it monetarily. God is using all of us as a team to reach multitudes for Jesus each month and see lives really changed for the Kingdom of God. **THANK YOU** for being with us as **WE GO TO THEM!**
