From January through April, the 65+ WE GO TO THEM teams (250 people) in eleven African countries proclaimed the simple Gospel message in over 10,000 evangelistic events. 7,694 were school assemblies before hundreds of thousands of students. The remainder were open-air venues, film shows, prisons, hospitals, and sports events. The teams averaged preaching to 71,500 people per day! The number of people who prayed to receive Jesus in their heart was 7,902,795.

EXPANDING - "GO INTO ALL THE WORLD"

"And He said unto them, Go ye into ALL the world, and preach the Gospel to EVERY creature." (Mk. 16:15) I'm sure we all agree that Jesus was very clear when He gave that command; we are not to make our goal any less or lower than reaching the entire world with the Gospel. With that conviction and compelling, the WGTT ministry team is examining, and taking full advantage of, every possible opportunity to reach new territories with the "Good News." I am thankful to report to you, our beloved friends, that in answer to our combined prayers, great progress is being made. Over the past year the ministry has expanded into Zambia (Pop. 21.7M), Uganda (51.3M), and South Africa (Pop. 64.7M). And, just recently, an evangelist has been planted in Mozambique (Pop. 35.6M). All these countries are extremely open to the Gospel. I ask you to please pray for the WGTT team leaders who are coordinating the work in each country: **Paul Asembe** (Zambia), **Newton Odhiambo** (Uganda), **Thespo Kabutu** (South Africa), and **Gabriel Nsengiumva** (Mozambique). The task is challenging, but to the glory of God, I am thankful to share with you that tens of thousands of people are coming to Christ already in these new locations. Let's join together in prayer that the harvest continues and expands.

ON THE HORIZON IN WEST AFRICA

SWEA/WGTT is already well established in Nigeria, West Africa, and has been for twenty years under the direction of Evangelist Jonah Obina. Jonah oversees eight teams made up of 50 team members. In 2024 Jonah and his teams reached over 3.6 million people with the Gospel. But, he has his sights set on harvest fields that reach beyond the borders of Nigeria. He is actively working on establishing new teams in the countries of Togo, Benin, and Sierra Leone. Please pray with us that God will enable the establishment of the WGTT ministry in these countries.

THANK YOU ALL FOR BEING WITH US

Once again, I want to express our deep gratitude to you guys who pray for this ministry team and the work they do. God is answering with His supernatural provision, power, and protection. Thank you for your encouragement, and for just being with us as WE GO TO THEM!
